Office Policy – Please read

Payment policy: Payment for Doctor's fees and insurance co-payments are due at the time services are rendered. Balances on eyeglasses and lens materials must be paid in full at the time of dispensing. Our office shall provide insurance billing unless other arrangements have been made. We can only confirm insurance benefits. This is NOT the same as eligibility. In some cases your medical services may not be covered by your insurance company for a given date of service. **It is the patient's responsibility for knowledge of insurance coverage and eligibility.** If insurance coverage is denied for any reason payment will be the responsibility of the patient. You are responsible for keeping Harvard Square Eye Care, P.C informed of any address or telephone changes. Should it become necessary to place your account with an outside collection agency due to lack of payment, you agree to pay all reasonable collection fees and related costs.

No cash refunds: Due to the nature of eyewear, we regret there can be no cash refunds. Should a problem arise, such as an incorrect eyeglass or contact lens prescription done at our office we will re-fabricate or re-order the correct lenses to meet the required prescription as prescribed by the Doctor.

We are not responsible for frame or lens breakage: Although we take every precaution to prevent breakage it does occasionally occur. We are sorry, but we can not be responsible for frames or lenses that are damaged while adjusting, fabricating new lenses or during shipping. However, we will replace the frame or lenses that are purchased with Harvard Square Eye Care, P.C. while under warranty.

Contact Lenses fees: Most insurance carriers will not cover procedures related to contact lenses unless they are medically necessary. Most contact lenses are for cosmetic purposes and require additional fees. These fees include additional cost for the contact lens evaluations, follow-up care, dispensing and contact lenses which are provided by our office.

Insurance assignment and release: I authorize payment of benefits directly to Dr. Lauren Dickerman and/or Harvard Square Eye Care, P.C. for services rendered. I also authorize the release of any medical information that may be required in determination of such benefits. I understand that some services may require approval or a referral from my primary care physician (PCP) for coverage and that I am responsible to obtain any and all referrals that my insurance company requires for services performed. If I do not obtain such approval, I am financially responsible for the services. I understand that my insurance carrier may not cover some services and products and therefore understand that I would be responsible for those charges. Deductibles and fees not paid by my insurance carrier will be my responsibility.

I acknowledge that I have read and understand Harvard Square Eye Care, P.C.'s office policy and received a copy of their "Notice of Privacy Practices HIPPA" policy.
